

Creating Success: An Olympians Lessons on Mastering Your Thoughts

Sherry M. Winn, a 2x Olympian, All-American basketball player, collegiate valedictorian, and national championship coach, discusses the power of thoughts. By telling her story of how negative and positive thoughts impacted her journey, she provides the keys to change limiting thoughts to successful outcomes. Her narrative takes the reader through the process of understanding how the subconscious mind drives our behaviors, how to access the limiting beliefs which reside in our subconscious minds, and how to use this knowledge to create success.
