

The award winning, best-selling Author of Remember My Love brings you a very different hero and heroine to love. Big Sam Blake and Miss Prudence Hofheinz both believe love was meant for other people--the kind that look like his partner Clint and her beautiful friend Arabella--but not for them. So when the Sidekick and the Schoolmarm meet during drought-ridden springtime in a dusty western town, they never expect to fall in love with each other. When they do, it seems like a miracle. But Sam and Prudence must face a villain's deception, a partner's betrayal, a small town scandal and a serious injury that threatens to tear them apart before they can find the forever kind of love that can sometimes happen not just to the Hero, but to the Heros Best Friend.
