

Publicada en 1919, Abel Sanchez no tuvo una feliz acogida, debido probablemente como el propio autor escribia en 1920 a que las gentes huyen de la tragedia cuando esta es intima. Sin embargo, el paso del tiempo ha situado esta impresionante parabola del conflicto fratricida entre las grandes obras de Miguel de Unamuno (1864-1936). En el prologo a esta edicion, Luciano Gonzalez Egido explica las razones por las que esta novela quirurgica sobre la envidia se adelanto a su epoca.
