

Black Magic Comics Halloween Image Issue: Strange Horror Images from 143 Horror Stories - The Golden Age Comics of the 50s

Black Magic Halloween Images This is a special issue of Horror story images. There are 143 stories highlighted with each story only containing 2 to 4 or more images of that story. These images are not of the complete story. They are a few images of each story so that you can see horror art of the 50s comics for Halloween. These images come from BEWARE, ADVENTURES INTO DARKNESS, BLACK MAGIC, and THE BEYOND comics. The images are identified with the Comic and story they come from. There are only 2 to 4 different images shown for each stories. Take a look at these images. You will enjoy them and the story lines that they reveal. For the complete comics, the resource section has a link to all the comic done so far. These comics have had the images enhanced with Photoshop and cut into individual frames so that the written conversations can be read. The Full Comics are also prepared in this manner. Click on the buy link to get started Partial Table of Contents See the complete table of contents inside the book.
