

All I Ever Need Is You is Adam Sullivans love story from Bella Andres New York Times and USA Today number-one best-selling Sullivan series. Seattle architect Adam Sullivan is well known for his brilliant historic building restorations - and for having absolutely no interest in love and marriage. Hes happy for his siblings and cousins who have found true love, but though theyre clearly hellbent on seeing him settled, his family is just going to have to accept that Cupids arrow will be skipping this Sullivan. That is, until he meets Kerry Dromoland...and suddenly Adam starts to question everything he once believed to be true about falling in love. As one of the top wedding planners in Seattle, Kerry has been waiting her whole life to find her own true love. So even though Adam makes her heart race and her body heat up every time theyre together, she knows better than to think he could be the one. Still, knowing hes Seattles biggest player doesnt make it any easier to resist his breathtaking kisses and wicked caresses...or the fact that he makes her smile more than any man ever has. But when Kerry desperately needs Adams help - and he comes through for her without the slightest hesitation - she begins to realize that there just might be more to the man she cant resist than shed previously thought. Can the bad boy with no interest in being reformed - and the woman who has no interest in reforming a bad boy - find forever together?
