T) EVENGE is a kind of wild justice which the more Mans -- nature runs to, the more ought law to weed it out: for as for the first wrong, it does but offend the law; but the revenue of that wrong putteth the law out of office. Certainly, in takinir revenge a man is but even with his enemy, but in passing it over he is superior; for it is a princes part to pardon: and Solomon, I am sure, saith, It is the glory of a man to pass by an offence. That which is past is gone and irrecoverable, and wise men have enough to do with things present and to come; therefore they do but trifle with themselves, that labour in past matters. There is no man doth a wrong for the wrongs sake, but thereby to purchase himself profit, or pleasure, or honour, or the like; therefore why should I be angry with a man for loving himself better than me ? And if any man should dc wrong, merely out of ill-nature, why, yet it is but like the thorn or brier, which prick and scratch, because they can do no other. The most tolerable sort of revenge is for those wrongs which there is no law to remedy: but then, let a man take heed the revenge be such as there is no law to punish; else a mans enemy is still beforehand, and it is two for one. Some, when they take revenge, are desirous the party should know whence it cometh: this is the more generous; for the delight seemeth to be not so much in doing the hurt, as in making the party repent: but base and crafty cowards are like the arrow that flieth in the dark. / Cosmus, Duke of Florence, had a desperate saying against perfidious or neglecting3 friends, as if those wrongs were unpardonable. You shall read, saith he, that we are commanded to forgive our enemies, but you never read that we are commanded

to forgive our friends. But yet the ...
