

Divorce, Actually II: The Spanish Connection

This is the second in a series of books about life after the death of my marriage. Much of it is fictional but it is based on personal experience. I moved to Southern Spain with my daughter in August 2006 when we overcame many challenges and flourished like oranges on the trees during wintertime. Life continued to change in unexpected ways during 2007/8. There was laughter and tears, tragedy and farce. The financial crisis that had dogged many worldwide began to affect us. Nonetheless it seemed there was room for optimism. Money was tight but the sun greeted us every day with a smile and gave us hope for the future. Even in the face of adversity anything seemed possible.

Divorce, Actually (The Spanish Connection Book 1) - I moved to Southern Spain with my fourteen year old daughter in early August 2006, when I was in my forties, after my divorce.
