

DEEP IN THE FOREST is an adventure story about a young woman, Lave, who flees her home due to many years of abuse. In pursuit of a better life and a place where she will be accepted, she finds a baby abandoned in the woods. Together, they find a hidden village deep in the forest. Much to their horror, the village is ruled by a ruthless man who controls all of the inhabitants of the village. With no where else to turn, Lave is forced to live there, only soon to be blamed for something terrible that she did not do. The ruler then stalks her and the young boy, following them to underground fortresses, the inside of seemingly forgotten trees, and through the dense, dark forest. Along the way, Lave meets a variety of colorful personalities and has the adventure of a lifetime.
