

Fifty Shades of Jezebel and the Beanstalk

This is erotica for smart people who like to laugh, just like you. It not easy being a princess in a fairytale. Especially when everyone you meet is so incredibly horny. When unhappy Jezebel is rescued from a terrible blind date by a cute waiter with magic beans, she thinks she must be dreaming. But once shes in a land filled with mythical beings, hot and eager suitors, and more orgasms than shes able to handle, Jezy learns the true meaning of happy ending. Written by the author of the best-seller Fifty Shades of Alice in Wonderland, Fifty Shades of Jezebel and the Beanstalk features the same hysterical humor, heated sexual encounters, and romantic escapades fans have come to demand from Melinda DuChamp.
