

Foreign Investment in Cuba.: A legal analysis of current law and policy in Cuba in light of the foreign investment law of 2014 and of the Decree-Law on the Special Free Zone of Mariel of 2013.

A legal analysis of current law and policy in Cuba in light of the foreign investment law of 2014 and of the Decree-Law on the Special Free Zone of Mariel of 2013, including a commentary in the Tax Law, the Labor Code and the Immigration Law. The aim of this booklet is to give the potential foreign investor an objective and well balanced view of the legal and practical aspects of investing in Cuba. It looks at the Cuban economy and its potential for foreign investment from the standpoint of the investor. More information can be obtained at www.sinerlex.com.do or e-mail at info@sinerlex.com.do.
