

Fly Fishing in Wonderland

[...]fishing under the sun. I am aware that he who praises the fishing on any stream will ever have two classes of critic—the unthinking and the unsuccessful. To these I would say, Whether your success shall be greater or less than mine will depend upon the conditions of weather and stream and on your own skill, and none of these do I control. In that splendid book, *Fly-Rods and Fly-Tackle*, Mr. Henry P. Wells relates an instance in which he and his guide took an angler to a distant lake with the certain promise and expectation of fine fishing. After recording the keen disappointment he felt that not a single trout would show itself, he says, Then I vowed a vow, which I commend to the careful consideration of all anglers, old and new alike—never again, under any circumstances, will I recommend any fishing locality in terms substantially stronger than these. At that place I have done so and so; under like conditions it is believed that you can repeat it. We are apt to speak of a place and the sport it[...].
