

Reflections of His Peace: Tranquility in Troubled Times (Volume 7)

Peace with God is a prerequisite for experiencing the peace of God and comes through accepting Jesus Christ as atonement for our sin and entering into a personal relationship with God by faith in Him. Maintaining that sense of peace comes as we focus on Him and grow in our knowledge of Him through worship, Bible study and prayer. The author has included poems from daily, personal devotion times with Scripture references that focus on the gift of peace available to believers in Christ. Photos taken by the author are used to draw attention to the awesome majesty and power of Almighty God--the true source of our peace.
