

This new primer is a great introduction to the field of Powder Metallurgy. Those who are new to the field as well as seasoned professionals will benefit from this fresh look at the process and products of P/M. The easy writing style of the authors makes this book as enjoyable as it is informational. Their years of expertise are brought to the reader in a personal and friendly manner that makes learning unavoidable!

Fourth International Conference on Correlation Optics: 11-14 May, 1999, Chernivtsy, Ukraine (Proceedings of SPIE), Une Pizza contre une piA?ce ! (French Edition), Life is a Piece of Pie in Your Eye: Slice of Life Stories, Fly, Blackbird, Fly, The 2007 Import and Export Market for Dried, Dehydrated and, Evaporated Vegetables in Netherlands,
