

When it comes to breaking the rules, Summer Farnsworth is an expert. From her wild braids to her vintage bustiers, she lives by her own guide. So how can she explain her attraction to Mr. By-the-Book, Jackson Taggart? Sure, the guy is gorgeous with to-die-for shoulders, but she can't get to those shoulders through all the starch in his shirt! After a few steamy kisses, however, she's willing to play by the rules of seduction...if only for a day or two! Jackson knows that life with Summer would be simpler if he just wanted a fling. But something about her uninhibited ways has him captivated and he knows it will take more than a few weeks to satisfy his desire for her. In fact, it could take forever. So, armed with a few sensual moves, Jackson begins his campaign to persuade Summer that the best sparks fly when opposites attract....
