

## The Halleluiah Baby

Treez McDuffy is a recently retired single woman who leaves everything she's known for 60 years to travel with an adopted dog aptly named Guido. What starts off as a trip to the Badlands of South Dakota veers dramatically off course as she encounters people and events, both natural and supernatural, that steer her in a whole new direction. She is challenged in ways she has never experienced before, an odyssey of rebirth and self-discovery.
