

An x-rated novel of lust, greed and high-octane sex as a young beautiful actress moves to Hollywood to make it in movies, but soon finds its easier to sleep her way to the top than it is to convince the powers that be she is talented. Soon she is having kinky sexual encounters with directors, actors, and even other actresses, in this whirlwind tale of the glamour and excesses of Tinseltown! EXCERPT: Beside the cameraman sat an actress. Holly recognized the womans face but she couldnt remember her name at first. After a few more seconds the girl managed to remember. The graying, plumpish blondes name was Tristyn Marshall, shed been considered for an Oscar a few years back. But what Tristyn Marshall had done in the past wasnt important, what she was doing now was! The actress had Dereks pants open and she was whispering to him as her clenched fist worked rapidly up and down the naked, jerking length of his erect, blood-swollen cock!!
