

Letters To My Sisters: 33 Law of Attraction Letters of Empowerment

Letters To My Sisters is a guide for people who are looking for answers in the most common areas in life. This refreshing book consists of 33 magical and powerful letters written by author Sharm Siva, inspired by her love for her two sisters. The letters serve as a guide or manual to anyone wanting some answers in life, including those in the areas of health, relationships and career. In these short letters written with kindness, love and hope, you'll learn more about how the quality of your life lies within the declarations you speak. You'll see how you and only you have the absolute power to change any story in your life. You will learn how visualisation and imagination can help you to realise your desires in any particular area of your life. You will take away powerful messages about how you can experience a shift in your life by changing your beliefs and thoughts. These letters are crafted as answers to questions, as you might ask them. Read them in one go or flip open to a topic that relates to you, as and when you need them. By the end of Letters To My Sisters, you'll understand the power you really have within you to live life your way, today.
