

## Total Freedom

What would you do if the life you thought was perfect suddenly changed? Could you handle having control taken away and being subject to the wants of someone else? A chance meeting sends Amara Torrence on a journey of self-discovery through circumstances beyond her control. Secret liaisons. Tough choices. Soul wrenching heartache. Questions with no easy answers and choices without simple solutions become a part of her every day reality. She struggles to hold on to the familiar, while succumbing to forbidden passion and desire. A quality tale of erotic BDSM romance filled with intense sexual scenes and emotional complexity.
