

This is a story about a woman who, like a lot of us, works for someone who doesn't appreciate her. Then the boss needs her for something personal, something intimate. How do you say no to that? Flipping the tables on her boss, Marilyn draws her into a world of domination, orgies, and raunchy lust sessions anywhere and everywhere. If you enjoy lesbian tales, threesomes, orgies, domination and pure outright fornication in unusual places, this is the book for you! Come take a look for yourself, just make sure to knock first! This is a highly erotic book, and is not suitable for anyone under 18 years of age.
