

The year is 2053. Man is an endangered species and has been hunted to near extinction by the aliens that invaded Earth three decades ago following the devastation of the planets nuclear war. The majority of humans now dwell in primitive underground colonies, hidden from the alien death squads that relentlessly patrol the planet. Resistance and the reestablishment of society is the focus of a determined few, who aim to overthrow the conquering aliens, and reclaim the rule of Earth to the human race. But those who would defy the aliens, and return humanity to its former dominance, must tread carefully as they navigate the treacherous waters of warfare, politics, commerce, and government in their campaign to rally the people of Earth and defeat their extraterrestrial enemies. In the fight for freedom, humanity's ensuing conflict with the invaders, and with one another, will push mankind to the brink. Heroes will be born, allegiances and loyalties will be tested, alliances, and agendas will be forged. The battle for our world is about to begin...
