

Marie-Louise Savagnac est la fille d'un soldat d'Empire. Elle vit à Benest, en Charente, et semble promise à une existence paisible. Lorsque Napoléon III prend le pouvoir, il suscite de grands espoirs chez les Bonapartistes ; le Coup d'État de 1851 fait basculer le destin de Marie-Louise. Très jeune, elle se trouve confrontée à des responsabilités d'adulte : elle doit quitter sa maison natale pour celle de son oncle, dans un univers familial hostile. Afin de s'enfuir, elle accepte un mariage imprévu et audacieux qui multiplie les difficultés. Pour la jeune femme, les défis sont nombreux pour survivre, s'imposer, rencontrer l'amour, trouver sa voie au milieu d'idéalistes naïfs ou de cyniques désabusés, et se réconcilier enfin avec l'existence.
