

## Rita Red: Money, Men and Memories

A chick-flick in novel format: Rita Red delivers! Four wild women, from the Midwest, set off for Nevada on their first annual Vegas vacation. Each of them is looking forward to relaxing in the sunshine and rekindling their bond of friendship. What each woman brings back are memories of men, money, and mischief. Ily, Liz, Kate, and Hatti, come across experiences in Vegas that are out of the ordinary and downright hilarious. The story begins with a masturbating, pot smoking cab driver, a run-in with counterfeit money, winning big at the roulette table, and end up attending a private party with 900 gay men.
