

Even as a child, Jesus would have had a different understanding of the world and how it worked; and he would be A CHALLENGE. Isabel Brogan, parent of exceptional children, knew well what other parents would do to help their child fit in to the world in which he would one day enter. Jesus has become a novice in the Essene community at Qumran. What happens when the irresistible love of God impacts on the Jewish masters who raise children with discipline, hard work, and a sense of righteousness? This is the highest form of SPIRITUAL DRAMA.
