

Searching for Summer

The first novel in The Reluctant Detective Series. Mirabelle's daughter, Summer, disappears one Friday night, and Mirabelle would dearly love to rewind that day and live it differently. Instead, she is left not knowing if Summer is alive or dead, went of her own accord or was taken against her will. Casting all other concerns aside - food, sleep, work, relationships - in her desperate need to find the answers, she takes to the streets of Edinburgh in search of Summer. Searching along wynds snaking behind old buildings, through ancient doors and tiny spiral stairways, showing Summer's photograph to everyone she meets in shops, museums and nightclubs, Mirabelle becomes a reluctant detective, gathering clues, trying to make sense of them in order to find her missing daughter.
