

Professor Romeo: A Novel

A classic academic satire set at Harvard University and a New York Times Notable Book of 1988, Professor Romeo is the story of Jacob Barker, professor of psychology, best-selling author, leading scholarly researcher, and indefatigable seducer of women. Anne Bernays chronicles the conquests of this Don Juan from his undergraduate affairs to the terrifying moment, when, as a middle aged rogue, he is called to accounts by the newly-appointed Dean of Womens Affairs.
