

Reaper Man: Discworld #11

In Terry Pratchett's *Reaper Man*, Death has left Discworld - but that's not necessarily a good thing. After all, chaos always ensues whenever important public services are withdrawn, and Discworld is no exception. Society is suddenly overrun by ghosts and poltergeists, while Dead Rights activist Reg Shoe finds himself busier than he's ever been and newly-deceased wizard Windle Poons rises from his coffin as a living corpse. Windle, Reg, and a band of Ankh-Morpork's undead citizens team up to try to save Discworld for the living. This novel, the eleventh in the Discworld series, is the sequel to *Mort*.
