

## On Secret Service - The Original Classic Edition

24 Detective-Mystery Stories Based on Real Cases Solved By Government Agents. This book reads like a James Bond novel. . . The author did a fantastic job with the subtle foreshadowing in all 24 stories. In addition to this, the usual spy trademarks are here. You have a horrifying villain, revolting flunkies, glorious scenery, a desperate chase that almost gets the government agents killed and an unforgettable ending.
