

The Knot: The First Book In The Patchwork Series

Stoker Blatt is 103 years old, so when the frog begins talking to him, he assumes he has finally gone senile. Unfortunately for Stoker, the frog really is talking...its the rest of his world that might be falling apart. As Americas favorite talk show host begins preparations for her final show, Stoker and a colorful group of characters begin trekking across the country towards the most apocalyptic finale in television history. Its just another day in Patchwork.
