

Netscape One

Beyond the Internet lies a blasted land. Beyond the Internet darkness reigns and chaos is only ever abreath away. The land is infernal. It is Netscape. And its ruler is a devil in a thin disguise As Ricky and Charlotte Dalton trick or treat on a foggy Halloween night, they know nothing of the deadly virus which is invading their computer. In a matter of hours it will spirit them away along with Ed, their elder brother and they will find themselves struggling for survival in the turbulent currents of the World Wide Web. The quest to find their way back home will be terrifying and perilous. In a seamless merger of fact and fantasy, Netscape One shadows the children on their journey through the Internet and beyond, to the land of The Ahriman the horrifying embodiment of primordial evil. On the way they make friends and enemies, but as their quest takes on a global importance, they face a world-consuming showdown from which only some will walk away.
