

The Slave Bride of Bodor

Katia might have grown up knowing she would be a slave, but she never resigned to her fate for a moment, not even when she is purchased by the handsome Prince Raney. As soon as she's bought by this man, she lets him know that she will do anything to get herself to freedom, though she might have to take many a chastisement by his firm hand! More inconvenient for Raney, who wishes his slave to be happy with her lot, is the fact that Raney wouldn't be happy with her own freedom. She wants freedom for others as well. Katia has her own personal war against the laws of Amanda and tries to escape despite her new master's discipline. But once she has her freedom, will her heart be free? Or will it long for the hand of Prince Raney, though she fears he might never see her as more than a slave? NOTE: This contains adult themes and some sexual situations, as well as adult-to-adult spankings. If such content might offend you, please do not buy this title! Book Length: 13 Chapters, 54,134 words
