These selected paragraphs distill the contents and give you a quick look inside The Tin Woodman of Oz: I know that some of you have been waiting for this story of the Tin Woodman, because many of my correspondents have asked me, time and again what ever became of the pretty Munchkin girl whom Nick Chopper was engaged to marry before the Wicked Witch enchanted his axe and he traded his flesh for tin. . . . It was you who first told me it was my duty to find and marry Nimmie Amee, and Id like you to know that Nick Chopper, the Tin Emperor of the Winkies, is a man who never shirks his duty, once it is pointed out to him. . . . After I have found Nimmie Amee and she has managed to control her joy at our reunion, I shall take her to the Emerald City and introduce her to Ozma and Dorothy, and to Betsy Bobbin and Tiny Trot, and all our other friends; but, if I remember rightly, poor Nimmie Amee has a sharp tongue when angry, and she may be a trifle angry with me, at first, because I have been so long in coming to her. . . . But our friends kept on walking even after the sun went down, hoping to find a good place for Woot the Wanderer to sleep; but when it grew quite dark and the boy was weary with his long walk, they halted right in the middle of a field and allowed Woot to get his supper from the food he carried in his knapsack. . . . Just as I thought, said Til, blinking her purple eyes and shaking her puffy head; but just then the Loon stuck the thorn into the leg of Woot the Wanderer, and while it had been blunted somewhat, it was still sharp enough to hurt.
