

## Callahans Way

**BOOK DESCRIPTION:** Matt Callahan is a handsome guy, but with a terrible temper, what he considers the curse of his red haze. His record includes being the best talent ever kicked off the football team, as well, more recently, an attack on his step-father with a baseball bat. At his summer job he witnesses a terrible accident and his quick action saves the life of a teen-age girl, convincing the towns aging and grumpy surgeon that Matt is something more than the town bad boy. But all Matt can see in his future is a juvenile conviction by a vindictive judge for the attack on his step-father. And now, assigned to a special class at the High School for the emotionally impaired, he attracts the attention of a drug runner and his partner, the sexy spoiled daughter of the judge who will decide his fate. Matt is trapped. The girl he saved following the accident is in love with him, the judges daughter is determined to make trouble, and he is surrounded by a car thief, drug runner, and the persistent interest and attention of the old doctor who is determined to make a surgeon out of him...something Matt believes is so unlikely as to be impossible. But the danger and the anger are real. And on a fog-shrouded lake it will all be decided. Fight or die!!!
