

Candidate Four: Bidden Series, Book 1

Like most college graduates, Natalie Harlow is swimming in debt. Her post-graduate job can barely afford her the chance to move out of her parents apartment, or make any headway on her \$700 a month student loan. So when her glamorous, dresses-like-she-isnt-hurting-for-money co-worker Quinn offers her the opportunity to make a lot of money for just one night of work - a job that is as secretive as it is lucrative - Natalie is hesitant, but curious. Twelve glamorous Candidates line up for twelve gentlemen bidders in a luxurious, private residence high in the hills above the city. The item up for auction? One night with a Candidate. He pays, she stays. What they do is up to him. Is the lure of cash enough for Natalie to lay herself aside for one night as Candidate Four?
