

## Where No Lilies Grow

Despite all their hardships, the Johansson sisters believe that faith and family come first, no matter the consequences. But with only one week left before the City buys their house, Jess and Carolene must first travel to Detroit to bring their other sister back home to Alabama. Along with meeting some strange characters while on their trip, the innocent sisters run into a string of bad luck that leaves them scared, broke, and desperate. Now they are forced to make some reckless decisions in order to make it back before anyone discovers what is hidden inside their house...
